Re: Continuing Education  
(2008-2010)

Dear Ms. Taylor:

The New Jersey Board of Professional Engineers & Land Surveyors ("Board") is in receipt of your correspondence regarding Continuing Professional Competency courses.

The Board has reviewed the following courses and determined that the course content does not enhance the skills and knowledge in business practices which will improve or expand knowledge and develop new and relevant technical skills and knowledge in the discipline of land surveying. Therefore, the listed courses below have been denied for Continuing Education of Land Surveying for the biennial licensing period ending April 30, 2010:

<u>Course</u>
Overview of the US Public Land Survey System

Thank you for submitting the course to the Board for review.

Very truly yours,

Arthur Russo  
Executive Director
