September 2023

Joint Chapter Meeting

Date: Thursday, September 14, 2023

Topic: Surveying the Pennsylvania Gamelands
Speaker: Michael Stone, PLS Chief of Surveys, Pa Game Commission

Michel Stone has been a Chief Land Surveyor for the Pennsylvania Game Commission since 2014. He oversees all land surveying activities relevant to the Real Estate Division land acquisition program and boundary management on Commission lands. He provides expert analysis of property chain of title and possible defects in title. He also prepares technical reports used in litigation involving property disputes.

Michael will provide an overview of the Commission and the Surveying Division. He will discuss how matters involving how property disputes are resolved. He will also explain the extensive survey records archives that the Game Commission maintains along with how those records may be viewed by the surveying community.
