

EDWARD B. WALSH & ASSOCIATES, INC.

Civil Engineering Design | Land Surveying
855 Springdale Drive, Suite 202, Exton, PA 19341 www.ebwalshinc.com
Established 1985

Job description:

Edward B. Walsh & Associates, Inc. (EBWA) is a full-service civil engineering design and land surveying firm located in Exton, PA. Established in 1985, EBWA provides land development design services to clients predominately located in the Delaware Valley in the development, construction and building industries.

We are currently seeking a **Professional Land Surveyor (PLS)** with land surveying experience within the civil engineering industry. The PLS should have experience with boundary & topographic surveys, construction stakeout, ALTA/NSPS, as-built surveys and legal descriptions.

The Land Surveyor position is an office-only position, with the individual coordinating projects with office staff of engineers, surveyors, field surveyors and CAD designers. It does not require the candidate to work in the field.

The candidate can quickly grow into the role of managing the survey crew and leading the survey department.

Responsibilities:

- Pennsylvania Professional Land Surveyor (PLS) License
- Progressive land surveying experience related to the land development and construction industries with a strong knowledge of land surveying principles and practices
- Boundary & Topographic survey preparation, construction stakeout calculations, as-built plan preparation and legal descriptions
- Preparation of ALTA/NSPS Title Surveys
- Managing of survey field crews
- Strong attention to detail while assembling project information related to deed research, boundaries, easements, right-of-way and processing of field notes
- Knowledge of AutoCAD software
- Prepare project budgets and client proposals
- Strong communication, organization, and interpersonal skills, including proven experience working on multiple projects in a timely & cost-effective manner

Benefits:

EBWA offers a competitive compensation and benefit package including 401(k) with company match, health, dental, vision & supplemental insurance, life & disability insurance, PTO and a flexible work schedule.
