GUEST PROGRAM AGENDA

12:30pm.....Lunch on your own at Kitchen Kettle Village with free time for shopping

At Kitchen Kettle Village, guests can purchase lunch on their own. There are 2 main options for lunch. The Kling House is the original farmhouse and offers a relaxed meal in a beautiful setting from a chef trained at the Culinary Institute of America. At the Harvest Café, windows provide farmland views with homemade soups, hot and cold sandwiches, and salads.

Kitchen Kettle Village has 40+ unique shops and restaurants. It began as a family jelly making business 3 generations ago. Therefore, guests will be encouraged to visit the jam and relish kitchen where they can see into today's industrial kitchen and try samples before making purchases. There is something for everyone as you stroll through the village paths! [View more information here.](#)
