

Survey Crew Chief – Full-Time
Rhea Engineers & Consultants, Inc. – Moon Twp, PA

Company:

Founded in Pittsburgh, Pennsylvania in 2001, Rhea Engineers & Consultants, Inc. (Rhea) is a 100 percent woman-owned professional corporation providing a wide range of civil, environmental, water resources, and geotechnical engineering, as well as consulting and land surveying services.

Rhea is a small, flexible firm that trusts and empowers our staff. We help them develop professionally and we look to them to help grow our business through hard work, a commitment to quality, and a focus on client satisfaction.

Job Description:

We are seeking an experienced Survey Crew Chief with the capabilities to fill an opening at our office in Moon Township, PA. This is a full-time, hourly position.

Duties and Responsibilities:

The successful candidate will have knowledge of all aspects of land surveying, and will be capable of the following:

- Performing survey work, including but not limited to the following types/aspects:
 - Boundary, ALTA, topographic, right-of way, transportation, and construction surveys.
 - Airports, local roads, interstate highways, and federal/state government contracts.
 - Local, state, and federal/out-of-state work sites.
 - Use of Conventional Total Stations, Trimble Robotic Total Stations, GPS, and associated software such as Trimble Access.
 - AutoCAD, MicroStation, and Open Roads software for data processing.
- Performing QA/QC for survey computations, as well as drafting and design performed by staff.
- Oversight of survey aspects of civil and transportation engineering projects, topographic and right-of-way surveys, boundary surveys, ALTA surveys, construction stakeout surveys, and as-built surveys.
- Effectively communicating and performing work concurrently for multiple clients.
- Creating and maintaining positive client relationships.

Requirements:

- A minimum of 2 to 5 years of working experience as a crew chief is required.
- Experience working on federal contracts/projects is a plus.
- Experience with the PennDOT ECMS system is a plus.
- Must be able to travel for project work, scoping, and oversight purposes.
- Must have and maintain a valid driver's license.
- Must demonstrate excellent communication skills.
- Must pass a drug screening and background check.

For Your Submittal:

Please submit your resume when applying.
Rhea is an equal opportunity employer.
