
The Data Collector

Volume 25, Issue 3

September 2024

Joint Chapter Meeting - Del-Val & Bucks Date: Thursday, September 19, 2024

Topic: **Monitoring Surveys**

Speakers: Greg Gress, PLS – Project Manager, Howell Engineering

This presentation will provide a review of the many methods surveyors use for monitoring movement during construction, failing soil conditions, and general structure inquiries. The presentation will also review the latest technology in automated monitoring with a live interaction of an active AMTRAK construction site and the method utilized with a new innovative process of automation. Data review will cover measurement corrections, integrated survey monitoring applications with active project datums, and detailing displacement reporting.

ONE CONTINUING EDUCATION CREDIT WILL BE ISSUED

2024 CHAPTER CALENDAR

August 22

September 19

October 23

November 7

BOARD OF DIRECTORS

JOINT CHAPTER MEETING (PJ Whelihan's, Blue Bell)

BOARD OF DIRECTORS

GENERAL CHAPTER MEETING (UNO Oaks)

[AUTUMN IS COMING](#)

As many of you know, the Delaware Valley Chapter sponsors an unlicensed surveyor to attend the Hershey Conference for free every year. The Chapter raises the money to do that through the shirt sales. All of the options are shown on the PSLS website. Get a jump on the cooler weather and pick up a crew neck sweatshirt and help support the Del-Val Chapter. If you place your order when you RSVP for the Chapter Meeting, Rich will bring your order and you save even more with NO shipping fee.

Sweatshirts are only \$30 (Large and X-Large) and \$34 (2XL and 3XL). These are better than Amazon prices and you help PSLS.
